

Leadership Announcement – Appointment of Stefan Dzigas as CFO of Secop Group

Flensburg, April 7, 2026

The Board of Directors of Secop GmbH is pleased to announce the appointment of Stefan Dzigas as Group Chief Financial Officer, effective April 7, 2026.

Stefan brings over 30 years of broad international experience in turnaround and transformation leadership across the mechanical, services, and commercial industries. Throughout his career, he has built a strong track record in the development, restructuring, and management of commercial and administrative functions within complex business environments.

Stefan holds a degree in Business Administration (Economics) from the Fachhochschule für Wirtschaft Berlin and is a certified turnaround manager.

The Secop Management Team and our shareholder warmly welcome Stefan to his new role. His extensive expertise in financial leadership and business group steering will be a significant asset to Secop's continued development, and we are confident he will make a strong contribution to our Management Board.

About Secop:

Secop is the leading expert in advanced hermetic compressor technologies and cooling solutions for commercial refrigeration. We develop high-performance stationary, medical, and mobile cooling solutions for major international manufacturers.

Secop is the best choice for cutting-edge hermetic compressors and electronic controls for light commercial and DC-powered refrigeration applications.

With over 1,000 employees worldwide, Secop has production sites in Slovakia and China and has research centers in Germany, Slovakia, China, and the USA, including a dedicated Motor Competence Center (MCC) for electronics and motor control development.
