

**Council  
Regulation (EC)  
2017/2268**

We declare that the Secop hermetic compressors platforms

BD-series compressors  
PBC-series compressors  
P-series compressors  
T-series compressors  
DELTA compressors  
KAPPA compressors  
X-series compressors  
N-series compressors  
F-series compressors  
S-series compressors  
G-series compressors  
and  
Secop condensing units

are NOT included in the DUAL USE list of the COUNCIL REGULATION (EC) 2017/2268 of 26 September 2017, as they are intended to be used for civil purpose only, fitted on a cooling circuit and used with one of the refrigerants specified on their type labels.
