

Secop Approval Policy

Our aim is to set the standard in the compressor industry by providing highly efficient and reliable products that enable our customers to obtain profitable growths, using our compressors as a key component in their solutions.

We are certified by:

- CCC/CQC
- VDE
- UL

We secure that all our AC products produced for:

- the Chinese market are CCC approved
- the EU market are VDE approved
- the US market are UL approved
- the Russian market are TR approved

Information on approvals can be found in our data sheets on our website.

If further approvals are needed which are not defined in our data sheets please contact your sales representative at Secop or Danfoss.
