

## Discontinued N-Series Compressors

Secop would like to announce that certain N-Series compressors using refrigerant R600a and R134a, under the model names NLE, NLX, NLU, and NL will be discontinued and can be replaced by K-Series (HXX, HZK, GTK) or KL-Series compressors.

## Affected Models and Replacement Solution

The table on the right side shows the code numbers affected with the corresponding replacement solution.

## Further Info

Please get in touch with your local Secop representative for further information or details on replacement solutions.
